

HAPi awards granted 2015

URN	Organisation	Project Title	Summary of project	Amount Awarded
Hillingdon	St Catherine Catholic Primary School	Physical Education Sports Equipment	To support volunteer Heathrow Airport colleagues in their local community by promoting the health and wellbeing of primary school children through funding the provision of sports equipment and kit enabling all children to engage and participate in school sports activity. Currently the school has no provision of funding for this.	£1,750
Miscellaneous	1st Whitton Scout Group	Fit for Purpose	Improve facilities at Kerswell Hall to allow the users (community groups) to operate in a safe, accessible, and energy efficient environment. The key tasks are: create safe access from the roadway, install empathetic and energy efficient lighting, clear fenced off plot for community use.	£2,500
£5,253	The Hebe Foundation	The Junior Apprentice	The Junior Apprentice is a Business & Leadership Youth project which seeks to find the best Junior Apprentice in London. Through fun team challenges and experiences we provide key business, leadership & communication skills that the young people can use in education and employment to further themselves.	£2,500
	Ickenham Youth U8's	Sponsorship of team 2015/2016	To provide full match kits for all players, training kit for volunteer coaches and much needed training equipment to help players achieve their potential, develop skills and promote enjoyment in sport. Support with tournament fees to allow us to compete in a wider geographic area.	£253
Other areas	The Rainbow St Stephen's Nursery School	New Wendy House and Play Equipment Storage	To continue with the rejuvenation of the outside playground with a new Wendy House and underneath storage for play equipment. The bespoke house will be built by Andy Frost Design Ltd who have built equipment at Rainbow Nursery in the past.	£2,500
Richmond	Hampton Youth Football Club	Hampton Youth New Football Kits and Equipment	This project is to provide new football kit and equipment for the 2015/16 seasons under 8s squads. The kit would be expected to last them 2 years and the equipment consisting of training goals and footballs should last beyond this.	£950
Runnymede	Abbey Rangers Elite Youth Football Team	Development of Abbey Rangers Elite Youth Football Team	This project is seeking funds to acquire the football kit and equipment, and associated match fees to enable Abbey Rangers to participate and meet the criteria of the Southern Youth League for the U/18's. This in turn will provide young people in the community to develop their skills into senior football.	£2,000
Spelthorne	The Friends of BishopWand CofE School	Table Tennis Tables Project	We are seeking funds to purchase up to 5 table tennis tables (outside). To provide the students with a fresh form of sport to play during lunch time breaks and after school clubs.	£2,500

£14,953
